Brief report about workshop on "Introduction to Intellectual Property Rights (IPR)":

The Workshop was conducted on the topic of **INTRODUCTION TO INTELLECTUAL PROPERTY RIGHTS (IPR)** by the Department of Physics (UG & PG) at Guru Nanak First Grade College, Bidar on 10.12.2018 in the Seminar hall coordinated by Dr. Eknath N. Halse, Assistant Professor, Department of Physics and Chaired by Dr. Shyamala V. Datta, Principal, Guru Nanak First Grade College, Bidar. The Programme started at 09:30 am with the welcome address by Dr. Balaji V. Biradar, Assistant Professor in Physics, followed by the inauguration. Opening remarks and introduction was given by Dr. Eknath N. Halse continued with the lecture by Dr. Math Shivalingayya. He gave a brief introduction on Intellectual Property Rights (IPR) and explained the various related terms such as copyright, patents, trademark etc. and he also explains other type of rights such as trade secrets, publicity rights, moral rights, and right against unfair competition.

He told the main purpose of Intellectual Property law is to encourage the creation of a wide variety of Intellectual goods. Sir has given more information on how IPR restricts copying other ideas and how this will help the development of new ideas for the betterment of the society. He also mentioned that how IPR provides total control over a new innovation and its creator. He was also given a platform to discuss how small innovations influence

PRINCIPAL

BIDAR

societies at large and how they should indulge in innovating and patenting ideas that will be useful for all the classes of individuals in the society. The workshop was a motivating experience for the students. The workshop was in two parts with a small break in between each session followed by high tea. The valedictory function was organized after the workshop got over and all the participants were presented the certificates. The vote of thanks was given by Mrs. Priyadarshini and the programme was concluded around 4:30 pm.

The workshop was conducted on the topic of **"USE OF LATEX FOR SCIENTIFIC MANUSCRIPT PREPARATION"** by the Department of Chemistry on 22/12/2018 in the seminar hall co-ordinated by Mrs. Archana Kulkarni Head, Department of Chemistry and Chaired by Dr. Shyamala. V. Datta, Principal GNFG College, Bidar. The workshop started at 10:00 am with the welcome address by Miss. Priyadarshini, Assistant Professor Department of Physics followed by the inauguration. Opening remarks and introduction to guest was given by Dr. Eknath H, Assistant Professor, PG Department of Physics continued with the session talk by Dr. Avinash, Guest Lecturer, Department of Physics, Gulbarga University, Kalaburagi. He shared his views on the topic **"USE OF LATEX FOR SCIENTIFIC MANUSCRIPT PREPARATION"**. Some key points highlighted are:

- Applicability of LaTeX - powerful typesetting system used to create papers in fields where tables, figures and formulae are common.
- Disciplines using it include Mathematics, Physics, Computer Science, Economics and Statistics.
- Tips for simplified LaTeX submissions, etc.

The workshop was in two sessions the first session ended with small break followed by high tea. The valedictory function was organized soon after end of second session and all the participants were presented the certificates. The thanking note was given by Miss Christina and the program was concluded at 3:00 pm.

V. Datta, Principal GNFG College, Bidar. The programme started at 9:00 am with the welcome address by Dr. Nagesh G. Yernale, Assistant Professor Department of Chemistry followed by the inauguration. Opening remarks and introduction to guest was given by Dr. Soul Shekhar Pandit continued with the session talk by Dr. Chandrashekhar C. H. Assistant Professor, Department of Chemistry, Kuvempu University P.G. Centre Kadur. He shared his views on the topic and emphasized on the importance of write a scientific paper he stated that scientific writing is a necessary skill that must be learned by repetitive practice of reading, writing and revising. Scientific writing can take many forms such as project report or dissertation or scientific article in an academic journal. The seminar was more focused on the research activities. Sir also explained about different sections needed for research papers and how to frame a title of the paper.

The workshop was in two sessions the first session ended with small break followed by high tea. The valedictory function was organised soon after end of second session and all the participants were presented the certificates. The thanking note was given by Miss Christina and the programme was concluded around 4:00 pm.

Brief report about workshop on "Patent Drafting":

The Workshop was conducted on the topic of **PATENT DRAFTING** by the Department of Mathematics (UG & PG) at Guru Nanak First Grade College, Bidar on 15.02.2020 in the Seminar hall coordinated by Dr. Dhanraj M., Assistant Professor, Department of Mathematics and Chaired by Dr. Shyamala V. Datta, Principal, Guru Nanak First Grade College, Bidar. The Programme started at 9:30 am with the welcome address by Dr. Pratibha Panth, Professor in Mathematics, followed by the inauguration. Opening remarks and introduction was given by Dr. Dhanraj M. continued with the lecture by Dr. Shilpa Kodge. She shared her expertise in the topic and emphasized on the importance of Intellectual Property Rights (IPR) with special reference to patent plays a vital role in enhancing the socio-economic prosperity of the country. Further, she also told about the cost effectiveness of IPR by avoiding duplication which saves time and cost. She has motivated to disseminate scientific and technological information which in turn stimulates research and development for improvement of the quality of life.

She has given more information on an understanding of basic concepts of IPR related terminology and guide individual about patent drafting, formulation of claims and filing.

PRINCIPAL
Guru Nanak First Grade College,
BIDAR

Madam, also explained in detail about the IPR among people with special reference to patenting. She also mentioned in India, patent applications can be filed by a patent agent or an individual having some scientific and technical background to understand the invention. However, no one can understand the invention better than the inventors themselves. She has answered all doubts of the students. The program was concluded with fruitful discussion.

The workshop was in two parts with a small break in between each session followed by high tea. The valedictory function was organized soon after the workshop got over and all the participants were presented the certificates. The vote of thanks was given by Miss. Badrunisa and the program was concluded around 4:30 pm.

The workshop was organised by the Department of Chemistry (UG and PG) on 18/12/2020 on the topic **"WRITING A SUCCESSFUL GRANT APPLICATION"** in the seminar hall co-ordinated by Mrs. Archana Kulkarni Head, Department of Chemistry and Presided by Dr. Shyamala. V. Datta Principal, GNFG College, Bidar. The programme was started with inauguration and followed with welcome address by Dr. Soul Shekhar Pandit Assistant Professor, Department of Chemistry. Opening remarks and introduction to guest was given by Dr. Nagesh G. Yernale continued with the session talk by Dr. Math Shivlingayya Swami, Assistant Professor Department of Physics Guru Nanak Dev Engineering College, Bidar. He stated that, writing successful grant proposals takes a lot of time and effort. He explained about different steps for grant proposal writing. The very first step is your idea of proposal, then the next step is finding the match for funding agencies, then survey of funding agency which is suitable for your proposal, then writing the technical part of the proposal, then the last step is submitting the proposal. He also explained briefly about vision group on science and technology (VGST) and stated that every year this agency will call for research proposal by government of Karnataka

DEPARTMENT OF PHYSICS AND DEPARTMENT OF MATHEMATICS (UG & PG)

Brief report about workshop on "Copy Right Issues in India":

The Workshop was conducted on the topic of **COPY RIGHT ISSUES IN INDIA** by the Department of Physics and Department of Mathematics (UG & PG) at Guru Nanak First Grade College, Bidar on 12.03.2021 in the Seminar hall coordinated by Dr. Eknath Halse, Assistant Professor, Department of Physics and Chaired by Dr. Shyamala V. Datta, Principal, Guru Nanak First Grade College, Bidar. The Programme started at 10:00 am with the welcome address by Dr. Dhanraj M., Assistant Professor in Mathematics, followed by the inauguration. Opening remarks and introduction was given by Dr. Eknath Halse continued with the lecture by Dr. Ajay Kumar S. Molkere. First of all, he was explained copyright is a form of Intellectual Property protection granted under Indian law to the creators of original works of authorship and copyright law protects expressions of ideas rather than the ideas themselves.

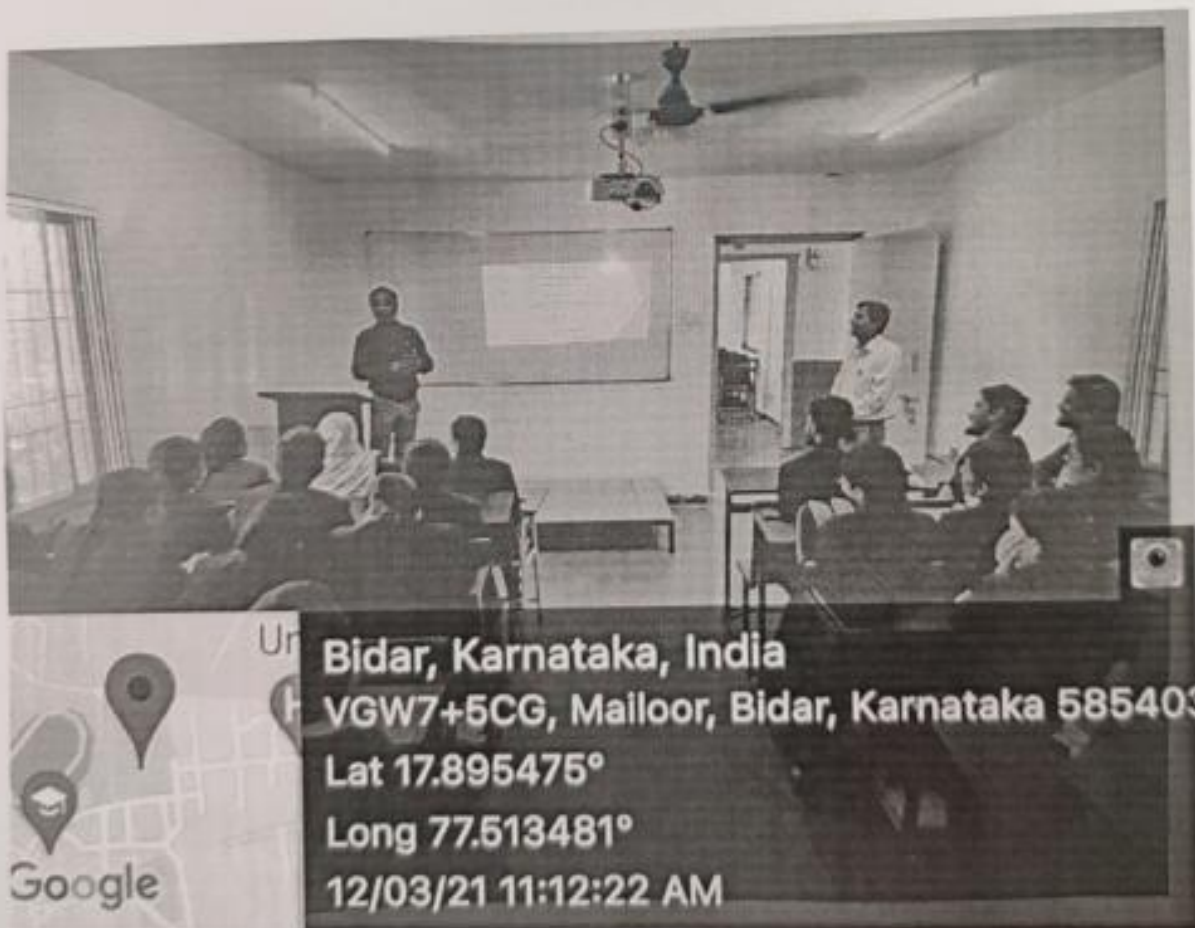

Sir, also explained in details about protection of copyright forms (Economic rights and Moral rights). He mentioned copyright protection commences the moment a work is created and in India, the registration of copyright is not mandatory. He has given more

PRINCIPAL

BIDAR**

information on Enforcement of copyright in India and protection to Foreign works in India. Also, he has explained list of things i.e., ideas, methods or systems, commonly known information, choreographic works, Fashions etc. cannot be copyrighted in India. Sir, also explained in detail about the copyright importance in research publication for long- and short-term studies. The program was concluded with fruitful discussion.

The workshop was in two parts with a small break in between each session followed by high tea. The valedictory function was organized after the workshop got over and all the participants were presented the certificates. The vote of thanks was given by Miss. Renuka K and the programme was concluded around 5:00 pm.

Dr. Ajay Kumar S. Molkere, discussing the "Copy Right Issues in India"
